2026 TOYS for KIDS LIGHTED TRAIN

Vermont Rail System is thrilled to partner with Otter Creek Awnings to support the Marine Corps League of Vermont with our second annual TOYS FOR KIDS Train! We need your help to fill the train with new, unwrapped toys. Join us at one of our stops from Friday, December 4th to Sunday, December 13th, where we will welcome you and your children on board to donate toys, visit with Santa, and enjoy an operating holiday toy train layout. Together, we can ensure every child in Vermont has a reason to smile this holiday season!
